TUMBLER-IN

Tumbler-In deals exclusively with advice and services for Bar Catering of private parties, weddings, ceremonies, business presentations and events.

The experience and passion of its founders, the quality of the products and the variety of the arrangements allow the personalization of every request for a truly special Cocktail Bar atmosphere, for any type of event and venue.

Exclusive setups, using professional counters and worktops, designed and carried out by our young and dynamic **Staff**, to fulfil every personalized request.

In wood and iron, with different combinations and dimensions, purposely studied for every theme and environment.

Personalized Drink List, chosen from a vast range of national and international Cocktails: starting from the selection of the raw materials, drinks and liquors of the highest quality, we give the opportunity of tasting the great classics as new trendy creations. To complete the service, we provide a Staff of professional and qualified **Bartenders**, making Tumbler-In the ideal partner for creating a special and unique event, guaranteeing a "keys in hand" service. No detail will be left to chance.

MISSION

*The attention to detail is our trade mark in every aspect of the Bar Catering service: from the design, creation and set-up of the Bar Station, to the decoration of the Cocktails with fresh fruit and flowers, from the personalized drink list to the choice of professional accessories that are both practical for our team of barmen and bartenders, are elements of particular and exclusive decorum. Tumbler-in has a natural operating radius in Tuscany, Umbria and Lazio, and has installed a network of collaboration with the more exclusive structures in the Val d'Orcia and Val di Chiana. **Tumbler-In also carries out service in all around Italy, collaborating with Wedding & Event Planner, renowned nationally and internationally for its Location and Catering prestige.** One of our strong points is the uniqueness and craftsmanship of the product that we offer. Counters, bottle racks and arrangements are all thought through, designed and created by our own hands, to make every event exclusive, and to respond to any requests of personalization. **Tumbler-In** pays particular attention to the quality of the product, drink and liquor brands used and served during the Bar Catering. Starting from the best national and international brands, we always strive to find the most exclusive products, from small artisans or homemade extracts, of which we respect values such as quality, elegance and originality of the bottles, unmistakable tastes, attention to nature, to what is biological and to the land.*

BAR DESIGN

1 **Tuscan**

The Sherwood bar made of wood in natural colour, is available in 2-4-6 meters long modules. This model of bar is perfect for country and rustic style settings, gardens, wineries and historic villas with a Bohemian taste.

2 **Glamour**

The most exclusive bar, finished in white wood, a stand-alone module (2-4 m long); it's perfect for elegant ceremonies and events in the most enchanting locations bringing refined contact between our barman and guests. Perfect for ceremonies and events with a glamour style.

3 **Provencal**

Elegance and simplicity. A stand-alone module (2-4 m long), it's finished in white wood. This model of bar is perfect for parties with a vintage, shabby, rustic chic style or with a Provencal taste.

Industrial

Here's the smartest and lightest model, very simple but efficient: it's made of vintage iron and wood of stylish taste, perfect for weddings and classic parties or celebrations with industrial style. The standard module is 1,80 m long.

CUSTOMIZED COCKTAIL BAR FOR YOUR EVENT

"The bar is open", what better phrase could there be to describe our services. Followed step by step by our team, you can personalize every detail of the Bar Catering, selecting your drink list choosing between national and international drinks or adapting the drink list and choosing the brands of liquors or tonics that you prefer, deciding which bar station to use or creating, together with us, a new one based on the theme and style of your event, to live a unique experience together with your guests.
